WRITING

I would like to give a talk about Ulyanovsk.
I can't say it's rather a big city, but it has lots of things to do and a lot of sightful places to visit. So, first of all, you should visit the city's centre. There are a lot of interesting places: from museums and galleries to sightful green parks and comfortable cafes and restaurants. In my opinion, the place you totally must visit is the park of the Friendship of Nations. As for me, it is the most beautiful and ^{biggest} big park of the city. You can look around and have some rest on the benches, or look for some historical statues.

But, walking around the city is not the only thing to do in Ulyanovsk. You can go cycling around the city centre, or visit a cat cafe, or even ride a horse — there are lots of activities in my hometown.

Well, I hope you'll enjoy your trip to Ulyanovsk and have some fun.
